

# Final Project: Multimedia Timeline of World Literature

## Project Overview

In this project, you will create an **interactive multimedia timeline** that traces the **development of world literature** from ancient times to the modern period. Your timeline will highlight major **literary periods, movements, authors, and texts**, showing how literature evolved alongside history, culture, and society.

## Project Instructions

- **Choose Your Scope and Format**

Your timeline must cover **at least four major literary periods**, from **Ancient** to **Modern or Contemporary** literature.

You may create your timeline using any of the following platforms:

- PowerPoint
- Canva
- Google Slides

The timeline must be digital and visually organized in chronological order.

- **Timeline Content**

Your timeline must include **a minimum of 10 entries**, which may be:

- Literary movements
- Major authors
- Important literary works

Each timeline entry must include the following:

1. **Time Period / Date**
2. **Title of Work or Movement**
3. **Author (if applicable)**
4. **Country or Region**
5. **Short Description** (2–4 sentences)
6. **Image or Visual Element**

- **Research Guidelines**

- Use **reliable sources** (books, academic websites, educational journals).
- Avoid unreliable sources such as personal blogs or unverified websites.

- **Design and Multimedia Requirements**

Your timeline must be:

- Chronologically arranged (left to right or top to bottom)
- Easy to read and visually appealing
- Consistent in font, color, and layout

- **Submission Requirements**

Submit the following:

- Digital copy of the multimedia timeline
- Works Cited / References page

**File Naming Format:**
